

ENCORE™

Hearing Protection

Cordova Safety Products is proud to introduce our Encore™ Foam Polyurethane Hearing Protection. Our Encore™ Ear Plugs are constructed of soft, comfortable Foam Polyurethane that expands to fit snugly within the ear canal. The tapered design allows for easy insertion/removal and the bright orange color makes compliance checks easy. Encore™ Foam Polyurethane Ear Plugs are produced in an ISO 9001: 2000 Certified Facility to assure consistent quality and performance. All Encore™ Hearing Protection is tested in accordance with ANSI S3.19-1974 and European Standard EN 352-2.2002.
